Meet Janice Marie & Joe Scheibinger "Jazz 'n More"

JAZZ 'N MORE is one of Wisconsin's hottest jazz duos! Joe & Janice each have more than 35 years each experience entertaining audiences throughout the state. This group is known for their performances at Wisconsin's finest jazz festivals, theatres, and conventions including the Kettle Moraine Jazz Festival, Headlining the LaCrosse Jazz Festival, the EAA Convention in Oshkosh, Milwaukee's famous "Jazz in the Park" series, the Plymouth Jazz Crawl, Summerfest, Cedarburg Cultural Center, and many others. For two years in a row, Jazz 'n More has been the main act for the Wisconsin Epilepsy Foundation's "Toast of the Town", Milwaukee's largest fundraiser. But this group is noted for more than it's Jazz! This group performs hot rock & roll, country, big band, just about any kind of music for all occasions! From quiet sensual jazz in an intimate setting, to huge outdoor festivals with hot Jazz, Big Band, and Rock & Roll! "Jazz 'n More" carries it own sound and lights for indoor or larger outdoor events.

Janice Marie

JANICE MARIE has remained constant in her love for music and people for over the past thirty years. "Whether I am in the studio recording, directing a children's choir, or composing, I consider myself blessed to be able to share life through the beauty of music". Janice Marie has performed at many area festivals including Summerfest, Bastille Days, & Harley Fest. She has been featured at the Park East Hotel's "Jazz on the Roof" series, as well as the Cedarburg Cultural Center and Broadway Baby Dinner Theater. Janice has also been featured on local television, radio stations, and been given the honor to sing the National Anthem at numerous sporting events.

Janice has embraced the name Jazz 'N' More to describe their performance style which includes everything from Rock and Roll, Big Band, Country and Blues, to Jazz. Their show "Forever Ella", a narrative / performance based show on the life of Ella Fitzgerald, the first Lady of Song, has become one of Janice's passions. Janice's CD, "Forbidden Love", portrays her talents as a composer, arranger, producer and vocalist.
